Equine Centre

## horses - the natural connection

Join the Back of Beyond Farm Family and become a part of life on a working horse farm. Touch the past when horses were part of our everyday life, build a bond of mutual respect and trust with a horse, and rejuvenate and revitalize yourself and your relationships through the experience

### memberships

Every weekend, on Saturday and Sunday between 9am and 6pm, Farm Family Members can visit and connect with the horses at the Back of Beyond Equine Centre.

The farm ambassador will assist members in grooming the horses, building a relationship with them and learning their language; as well as facilitating members taking a self guided tour of the farm. This is a unique opportunity for family and friends to cultivate an appreciation for and understanding of the magical world of horses. Membership types include monthly, day or seasons pass. For more information and to purchase a membership please contact Cathy at Back of Beyond Equine Centre at 705-789-1605 or [bkbeyond@vianet.ca](mailto:bkbeyond@vianet.ca)
